Potomac Village Garden Club Garden Tours

Potomac Village Garden Club

Garden Tour – Saturday May 4, 2024 12 pm – 4 pm

Our Potomac neighborhood gardens will welcome spring with a splendid array of beauty and inspirational design. We invite you to stroll through six gardens and experience their unique pleasures of beauty, serenity, hopefulness, and peace.

You'll be inspired by ponds, water features, hillsides, and unique pathways and bridges leading to garden focal points. Learn how gardeners use design and native plants to encourage healthy ecosystems, attract wildlife, and control water runoff.

Walk across a Japanese bridge, take in the awesome beauty of abundant azaleas and spring bulbs, and stroll through properties ranging in size from 1/3 acre to 14 acres of beautiful landscapes.

A gardener's vision is always evolving. Understand the inspiration behind these gardens and take photos and gather ideas of how to incorporate similar strategies into your own gardens.

See you on the tour!
