## BHGC Fundraising Note Cards and Raffle

Our Fundraising Committee is busy this month. At our March meeting, they will hold a Spring Raffle and auction off one of our fabulous Anise pots filled with beautiful flowers. Perfect for your Easter decor or as a gift for a special "somebunny!" Tickets will be 6 for \$5, so please bring cash or your checkbook!

The Fundraising Committee will continue to sell the beautiful floral notecards featuring our own Robin Benson's artwork. Each package contains 8 notecards (2 of each design) and sells for \$15.00 plus tax (\$15.90.) The Fundraising team will have notecards available at the District II meeting, at the March BHGC meeting, or contact Maddy Mitchell to place orders.

## District II

The District II meeting on March 8 will feature award presentations. Hope many of you will be able to attend.

Don't forget about the District II sponsored day bus trip to Chanticleer Gardens in Wayne PA on May 1, 2024. The flyer and registration form are attached to this email. Hope some of you can make the trip.

## District II Newsletter

The March, 2024 District II Newsletter has been published. I will forward it to club members via a separate email.

## Call for Tuna Cans

We will once again be making individual arrangements for distribution to seniors at our May meeting. The Program Committee has put out the call for tuna or large cat food cans. Please start saving them. We will need about 100 cans—that's roughly two cans per person. Let's see if we can collect the cans by our April meeting.

## Art in Bloom DC at Anderson House

Here is another opportunity to see floral arrangements interpreting works of art. Art in Bloom will be held from March 14-17 at Anderson House, Headquarters of the Society of the Cincinnati. See the website [artinbloomdc.com](http://artinbloomdc.com) for further information
